- Who we are
  - Garry Shafovaloff, DOD DACM
  - Karen Clougherty, Deputy DACM
  - Jonathan Higgins, Jay Boller, Art McCormick – Industry/non-DOD support
- What we do
- Demo Tool – Continuous Learning Tracking

# Continuous Learning Policy

## Component Responsibilities

- Continuous Learning Policy for the Acquisition, Technology, and Logistics WF (13 September, 2002)
  - Set a goal of 40 Continuous Learning Points (CLPs) each year and a mandatory requirement of 80 CLPs every 2 years
  - Required record keeping to enable a future data transfer into enterprise wide systems

# Features of the ACQTAS CL System

- Allows students request Continuous Learning Points for any event
  - Completion of DAU certification courses are automatically captured
- CL Point Requests submitted by students are sent to their supervisors for final approval
- Students are sent emails as reminders if they are not “on pace” to meet their 80 point CL requirement
- Students who have met the 80 point requirement can print certificates of Achievement
